

Regular and Emergency Pick-up Policy

In the event that your child needs to be picked up by someone other than a custodial parent (guardian), Innisfil Montessori Academy is required to have written permission to release your child. Please fill out the following to indicate **who are routinely authorized to take your child off the school premises**. Please include any caregiver's that will be picking up your child and please include a non-family member (friend/neighbor) who lives close enough to pick up your child if they become ill and we cannot contact you, or in the event of an emergency on your part. Please give the phone numbers where this person can be reached while your child is in our care.
