## **Montessori Education:**

“Montessori” is a comprehensive educational approach based on children’s natural learning tendencies. Children absorb what they observe in their surrounding environment. Thus, Maria Montessori coined the phrase “the absorbent mind”. Given this fact of “absorption” it is essential that the children be placed in a prepared environment. This environment is one that invites children to engage in learning opportunities of their own individual choice. Special materials are used to facilitate this process. Each child uses the materials and develops at his or her own pace.

## **Program Statement**

This program statement is consistent with The Minister of Education’s Policy statement and pedagogy issued under subsection 55(3) of the CCEYA (Child Care Early Years’ Act) and we shall review the program statement at least annually for this purpose as follows:

Innisfil Montessori Academy offers a learning program that is consistent with both Maria Montessori’s ideas and the Ministry of Education policies, pedagogy and curriculum. The Ministry and Montessori documents referenced in our program include the following:

- How Does Learning Happen?
- Ontario Early Years Framework
- Think Feel Act: Lessons from Research About Young Children
- The Absorbent Mind- Maria Montessori
- Early Learning for Every Child Today

Innisfil Montessori Academy emphasizes active learning, as children learn best by pursuing their personal interests and goals. Children make their own choices about materials and activities during the program time. As they pursue their choices, children explore, as and answer questions, solve problems, and interact with peers, program staff, volunteers, students on placement and other adults. Children are competent, capable, curious and rich potential. Innisfil Montessori Academy recognizes each child as a unique individual who brings their own abilities to the program and deserves the encouragement and space to try new things, explore new ideas and develop their unique creativity. We provide an

environment that fosters curiosity, one that allows children to explore in a safe and caring environment. An environment in which to grow and develop to their maximum potential. We understand the importance of taking children's stages of development and their unique family, community and life experiences into consideration. In each case, we aim to integrate all areas of the child's development into our program in a holistic way.

Our goals for children, consistent with both Maria Montessori's Philosophy and the Ministry of Education pedagogy, include the following:

- Every child has a sense of belonging when he or she is connected to others and contributes to their world. **At IMA our students are given the opportunity to care for their environment; child sized brooms, dustpans, cloths and dusters are available for the student to tend to messes as they happen. Students are responsible for returning materials to there proper place on the shelves and use the classroom material with care to ensure they are available for all. We know these opportunity to care for their environment elicit feeling of pride, accomplishment and community.**
- Every child is developing a sense of self, health and well- being. **At IMA the interactions and communication used is always focused on the positive reinforcement. Staff always role models high standard of behaviour and communication and through the use of 'Grace and Courtesy ' elements of Montessori , inculcate the same in children. Our classes are composed of mixed-ages of children. There are natural opportunities for the children to interact with others who are older than themselves – or younger. The older children become role models and leaders for the group; they see themselves as helpers. Children of various ages often choose to work in pairs or small groups and so peer teaching happens. Our teachers model respectful ways of communicating and demonstrate problem solving for the children. As often as possible the teachers suggest that a child seeking help ask other children before asking an adult. Children gain confidence in various situations, observe how others solve problems, learn to help one another. They gain experience and learn to self-regulate.**
- Every child is an active and engaged learner who explores the world with body, mind, and senses. **At IMA Our classrooms are divided into 5 areas**

of essential learning, namely Practical life, Sensorial, Maths, Language and Culture. All these areas have pre prepared, learning apparatus which are designed based on years of research and observations of how a child's brain functions. These materials are often self-correcting and help the child explore the concept. The concepts are often taken from concrete to abstract and are instigates the child to explore, inquire and make conclusions. Most of the equipment are made with real natural wood to make the environment more authentic.

- Every child is a capable communicator who expresses himself or herself in many ways. **At IMA we recognize that children's interests are valuable to their learning and offer a rich variety of experiences to allow each child's potential to shine. The type of activities we offer daily include: drama, music, dance, literacy, language, nature, science and technology, construction, mathematics, practical life and sensorial, zoology, botany and active outdoor play. The programming at IMA offers children the opportunity for 2 hours of outdoor time (weather permitting). During outdoor play, children are encouraged to participate in activities that help develop gross motor skills and endurance. During inclement weather, indoor gross motor activities are offered.**
- Incorporate rest and quiet time, into the day, and give consideration to the individual needs of the children receiving childcare. **The program at IMA states that Toddlers are encouraged to sleep (maximum of 2 hours) and CASA children are encouraged to rest during rest times for a minimum of 30 min. The non-sleepers are offered some quiet activities to engage them during that period. Sleep policy is always adhered to during rest times.**

Our programs are designed to:

- encourage children to interact and communicate in a positive way and support their ability to self-regulate
- foster the children's exploration, play and inquiry
- provide child- initiated and adult- supported experiences

- support positive and responsive interactions among the children, parents, childcare providers and staff;
- plan for and create positive learning environments and experiences in which each child's learning and development will be supported;
- incorporate indoor and outdoor play, as well as active play, rest and quiet time into the day, and give consideration to the individual needs of the children receiving childcare;
- promote the health, safety, nutrition, and well-being of children.
- foster the engagement of and ongoing communication with parents and caregivers about their program and their child through communication books, progress reports, newsletter and daily conversations
- Involve community partners such as resource teachers, librarians etc. to support the children, families and staff of IMA
- support staff or others who interact with the children at IMA in relation to continuous professional learning;
- document and review the impact of the strategies, set out above, on the children and their families. The supervisor shall ensure that all new staff, student teachers and volunteers review the program statement, prior to interacting with children and at any time when the program statement is modified and annually thereafter. IMA shall ensure that the approaches set out in its program statement and are implemented in the operation of its program.

## **System Planning Canada-Wide Early Learning & Child Care System**

In 2022, Ontario signed the Canada-Wide Early Learning and Child Care Agreement (CWELCC) with the Government of Canada. Significant new federal investments through this agreement will support: fee reductions, increasing the number of licensed child care spaces, addressing barriers to providing inclusive child care, and supporting the early childhood workforce.

Funding under the CWELCC Agreement will be used to build and leverage the success of Ontario's existing early learning and child care system by increasing quality, accessibility, affordability and inclusivity in early learning and child care, towards achieving the objectives of:

- a. Providing a 25% fee reduction (for eligible children) retroactive to April 1, 2022 building to a 50% reduction in average parent costs for licensed early learning and child care and reaching an average parent fee of \$10 a day by 2025-26 for licensed child care spaces;
- b. Creating 86,000 new high-quality, affordable licensed child care spaces (relative to 2019 levels), predominantly through not-for-profit licensed child care;
- c. Addressing barriers to provide inclusive child care; and
- d. Valuing the early childhood workforce and providing them with training and development opportunities.

“Eligible Children” means any Child under six years old; and up until June 30 in a calendar year, any Child who (a) turns six years old between January 1 and June 30 in that calendar year, and (b) is enrolled in a licensed infant, toddler, preschool or kindergarten group, a licensed family age group, or home child care, as defined in the Child Care and Early Years Act, 2014.

Innisfil Montessori Academy has been approved and is operating within the CWELCC as of December 5<sup>th</sup>, 2022

### **Program Description: Casa and Kindergarten Program**

The casa program is for children who are 2.5 years of age to 6 years of age. We offer a half day and full day Casa Program. The Montessori classroom is organized into five main areas.

1. The practical life activities are familiar tasks that they have encountered in their daily lives, such as pouring, spooning, sweeping etc. These tasks help the child to develop gross and fine motor skills, while increasing independence and self-reliance. The items in the Casa classroom are scaled to fit the child and allow for them to master each task independently.
2. Sensorial exercises allow for the children to discriminate and order the impressions that have entered through each of his senses. Scientifically designed materials that isolate each sense facilitate in the development of the intellect through hands-on exploration. The child learns to separate, classify forms, colors, textures, sounds and smells. The exercises in this area refine the senses and develop skills in thinking, judging, concentrating, comparing and sequencing. The materials offer unlimited opportunities for the development of vocabulary and the essential development of dexterity that will lead to reading and writing.
3. Language Curriculum focuses on listening, speaking, reading and writing. The curriculum is designed to meet the young child's innate need to acquire language. Significant emphasis is placed on building vocabulary and oral competency. Through the use of the Montessori materials, children acquire a rich vocabulary for labeling, describing, comparing and contrasting their environment and the objects within it.
4. The Montessori Math curriculum is firmly based on learning through experience. Children use a wide variety of carefully constructed materials to lead them to an understanding of the value and sequence of numbers. The children are introduced

to the operations: addition, subtraction, multiplication and division at a concrete level so that they experience what these activities really mean. The program has the advantage of being able to meet each child's individual learning style and pace of development.

5. Culture. The cultural unit contains; botany, zoology, geography and science. The children have the opportunity to continue with the hands-on approach. Experiments are a major part of the cultural program, allowing the child to make predictions, test and draw conclusions. The geography area allows the child to learn about where they live and their place in the world.

### **Toddler Program**

The Montessori toddler curriculum is a unique classroom environment, beautifully designed to appeal to the child's natural curiosity and meet the diverse and special development needs of children aged 18 months to two and half years. It is a period characterized by the need to explore everything, move and develop large motor coordination and strength. We believe at this age there is huge expansion into language. They develop a capacity to create symbols, images and concepts and become aware of him/herself as a separate and independent person. This classroom experience is often a very delicate time for the child as well as the parent. Therefore, patience, observation, and gentle encouragement are provided to make this transitional step into Montessori.

The first three years of a child's life are the most formative. During this period, children absorb innumerable impressions from their surroundings as their inner development takes place. They thrive on routine, external order, encouragement and respect for their individuality. Our toddler program is a harmonious community that allows each child to reach his or her full potential. The teachers gently guide the children through each successive level of development and achievement, always encouraging and supportive. Socialization, toileting, separation, waiting one's turn, sharing and patience are all important lessons that each child learns.

## **Admission Requirements**

- Entry at age 18 months – 2.5 years, at the child's time of readiness
- walking securely
- developmentally ready, as assessed through an interview
- IMA can enroll 3 children under 18months who meet the above criteria.

## **A Gradual Phasing-In Period Ensures Comfort, Confidence and Happiness**

Toddlers routinely join the program throughout the year when they reach the age of 18 months. It is paramount to ensure each child's feelings of well-being as they join the class. To ensure that the separation of a parent and child is gradual and gentle, we encourage a few short visits (1 hour), followed by some half days before the child joins us for their full day program. Both parents and teachers will work together in determining when the child is ready to make that transition. IMA teachers understand that the child must feel secure and ensure this by allowing the child to explore the classroom environment with the parent present to provide emotional support.

## **Children in Toddler and Children's House Programs Benefit Greatly from Programs That Are Five Days A Week.**

The consistency of a five day a week program allows students to experience the order and predictability necessary to empower a high degree of learning. In addition, we know that the concentration, confidence, knowledge, skills and understanding developed in the Toddler and Children's House classrooms provide essential support for all aspects of a student's educational experience in elementary school, high school and beyond

## **Practical Life Fosters Independence**

Practical Life activities include many of the everyday tasks children observe their parents doing at home. Young children enjoy and take pride in caring for their environment, themselves and each other. These skill developing activities are specially designed to fit in a toddler's hand and allow the child to spoon, sweep, button and wash. Each task allows the child to gain independence and to develop a sense of order, responsibility and coordination of movement.

## **Language Development**

Children between birth and three years are in a critical period for the development of language. By providing an environment rich in oral language, each child has the opportunity to increase their receptive and expressive language. Formal language lessons are given each day using vocabulary cards, classified objects, books, poems, songs and finger play activities. Informal language lessons are an integral part of our program throughout the

day's lessons and activities. Children learn pronunciation, inflection, grammar and vocabulary from interacting with the individuals around them. The children delight in the acquisition of language and thrive in this vocabulary-rich environment.

### **Sensory- Fine Motor Development**

Children learn by interacting with the world around them. The classrooms contain a full complement of manipulative activities for fine motor development including exercises such as bead stringing, cutting, puzzles, sewing and sorting. These activities assist the child in refining eye-hand coordination, using both hands together, strengthening the muscles of the hand and refining the pincer grasp, laying the foundation for later motor skills that require this strength when writing with a pencil. Through repetition the child develops the capacity to concentrate for longer periods of time.

### **Gross Motor Development; a Solid Base for a Healthy and Active Life**

Development of coordination, balance and strength is an important component of our Toddler Program. The toddler classroom invites children to explore and delight while developing control of their bodies. The classroom contains a sandbox, climbing equipment, water play, balls, hoops and beanbags. At IMA we believe that young children need to explore the outside world in order to develop their innate connection with nature. Our students go outside to our playground each morning and afternoon where they further develop and refine their gross motor skills.

Our Academic Day Programs which will include:

- A nutritious snack twice daily
- Indoor free play
- Structured programs
- Gross motor activities
- Outings
- Group and individual activities
- Washroom routines

## **Staff Qualification:**

Our dedicated staff is chosen carefully, and all our head directresses hold either a Montessori Teaching Certificate, a Bachelor of Education degree or an Early Childhood Education degree. They have personal qualities of friendliness, warmth and the ability to relate openly to children and adults. Continuous evaluation of staff and programming ensures the ongoing high-quality care for your child

## **IMA Child Care Supervision Policy for Volunteers and Students States:**

- No child is supervised by a person under 18 years of age;
- At Innisfil Montessori Academy, only employees will have direct unsupervised access to children. Volunteers and students may not be counted in the staffing ratios. Volunteers and students are supervised by an Innisfil Montessori Academy employee.
- The Roles and responsibilities of the operator are to ensure all policies and procedures have been read, understood, and signed off on, on at least an annual basis. The operator will ensure the staff member assigned to supervise, orientate and mentor the volunteer or student is comfortable and capable of such duties.
- Expectations of volunteers and students are to aid in the educational instruction and assistance of the classrooms and play yard in a positive manner

## **Emergency Management Policy and Procedures**

The purpose of this policy is to provide clear direction for staff and licensees to follow to deal with emergency situations. The procedures set out steps for staff to follow to support the safety and well-being of everyone involved.

### Policy

Staff will follow the emergency response procedures outlined in this document by following these three phases:

1. Immediate Emergency Response
2. Next Steps during and Emergency
3. Recovery

Staff will ensure that children are kept safe, are accounted for and are supervised at all times during an emergency situation.

For any emergency situations involving a child with an individualized plan in place, the procedures in the child's individualized plan will be followed.

If any emergency situations result in a serious occurrence, the serious occurrence policy and procedures will also be followed.

For situations that require imitate evacuation of the school, the meeting place to gather is the back of the schools parking lot.

If it is deemed 'unsafe to return to the school, the evacuation site to proceed to is located at: Sunnybrae Avenue Innisfil L9S 1A8 (705-436-1100)

Note: All directions given by emergency services personnel will be followed under all circumstances, including directions to evacuate to locations different than those listed above.

### Phase 2: Next Steps During the Emergency

1. Where emergency services personnel are not already aware of the situation, a staff member must notify emergency services personnel (911) of the emergency as soon as possible.
2. Where the school has been evacuated, emergency services personnel must be notified of individuals remaining inside the building, where applicable.
3. If the licensee is not already on site, the site designate must contact the licensee to inform them of the emergency situation and the current status, once it is possible and safe to do so.
4. Where any staff, students and/or volunteers are not on site, a staff member must notify these individuals of the situation, and instruct them to proceed directly to the evacuation site if it is not safe or practical for them to return to the school.
5. Staff must wait for further instructions from emergency services personnel. Once instructions are received, they must communicate the instructions to all other staff and ensure they are followed.
6. Throughout the emergency, staff will:
  - Help keep children calm
  - Take attendance to ensure that all children are accounted for
  - Conduct ongoing visual checks and head counts of children
  - Maintain constant supervision of the children
  - Engage children in activities, where possible
7. In situations where injuries have been sustained, staff with first aid training will assist with administering first aid. Staff must inform emergency services personnel of severe injuries requiring immediate attention and assistance.

**Serious Occurrence Policy:** In the event of an incident reported to the Ministry of Education as a serious occurrence a letter will be posted at the school indicating the details of the event and steps taken to rectify the situation.

**Prohibited Practices Policy:**

In accordance with the CCEYA, the programs shall NOT permit:

1. Corporal punishment of a child by any employee or by another child or group of children.
2. Physical restraint of the child, such as confining the child to a stroller or other device for discipline in lieu of supervision, unless the physical restraint is for preventing a child from hurting himself or someone else and is used only as a last resort and only until the risk of injury is no longer imminent.
3. Use of harsh or degrading measures or threats or use of derogatory language directed at or used in the presence of a child that would humiliate a child or undermine a child's self-respect, shame or frighten the child.
4. Deprivation of a child of basic needs including food, drink, shelter, clothing or bedding, sleep or toileting.
5. Locking the exits for confining the child or confining the child in an area without adult supervision.
6. Inflicting any bodily harm on children including making children eat or drink against their will.

Teachers are to always use gentle re-direction as a means of helping a child who may be having a difficult time in group settings. Teachers are to focus on the positive behaviours rather than the negative behaviours.

Behaviour Management evaluations are performed three times annually on all staff.

**Parent Issues and Concerns**

Intent

This provision is intended to provide licensees and parents with a clear and transparent procedure to follow when a parent has brought forward an issue or concern they want to have addressed by the licensee.

## Policy

Parent/guardians are encouraged to take an active role in our school and regularly discuss what their child(ren) are experiencing with our program. Innisfil Montessori Academy supports positive and responsive interactions among the children, parents/ guardians, childcare providers and staff. We foster the engagement of ongoing communications with parents/ guardians about the program and their children. Our staff are available to engage parents/ guardians in conversations and support a positive experience during every interaction.

All issues and concerns raised by parents/ guardians are taken seriously by Innisfil Montessori Academy and will be addressed. Every effort will be made to address and resolve issues and concerns to the satisfaction of all parties as quickly as possible. Issue/ concerns may be brought forward verbally in writing upon request. An initial response to a complaint will be addressed within 5-10 business days. The level of detail provided to the parent/ guardian will respect and maintain the confidentiality of all parties involved.

## Confidentiality

Every issue and concern will be treated confidentially and every effort will be made to protect the privacy of parents/ guardians, children, staff, students, and volunteers. Except when information must be disclosed for legal reasons.

## Conduct

Our school maintains high standards for positive interaction, communication and role-modeling for children. Harassment and discrimination will therefore not be tolerated from any party. If at any point a parent/ guardian, provider or staff feels uncomfortable, threatened, abused or belittled, they may immediately end the conversation and report the situation to the supervisor.

Please see Appendix 1 for steps for parents are to follow when they have an issue or concern to bring forward to the

## **Mission Statement:**

Innisfil Montessori Academy is a privately funded school dedicated to helping young children meet their potential. We specialize in educating the very young, 18 months to 6 years of age. Graduates emerge fully prepared for public school with core education that includes French and Music instruction from the earliest age that exceeds ministry guidelines. We believe in providing the very best education and a Montessori program does just that. The young child has a natural love of learning. Maria Montessori developed a system that would prove to best draw out this natural love of learning, tapping into the full potential of the child.

## **IMA Gives:**

Innisfil Montessori Academy believes in making an impact both locally and globally by donating to charities that we believe in. Whenever possible, we involve our students in the process. Working to instill empathy in our children is an important and vital task. Maria Montessori believed that it is the duty of every person to work toward and be part of something great which not only serves individual interests, but those of humanity. Empathy, or the ability to understand the thoughts or feelings of another, helps us to live more fulfilling happier lives. At IMA we strongly believe “Giving is not just about making a donation. It’s about making a difference” - Kathy Calvin

Innisfil Montessori has proudly sponsored the following youth sport teams:

Innisfil Soccer Club

Innisfil Baseball Club

Innisfil Minor Hockey

Barrie Minor Hockey

Barrie Sharks Hockey

Barrie Baycats

Within the community we support the following charities which are dear to the hearts of our IMA staff members and families, such as:

South Lake Cardiac Care

Heart and Stroke Foundation

Innisfil Police Community Outreach  
RVH Youth Mental Health  
RVH Neonatal Unit  
Barrie Exotic Animal Sanctuary

Each year at our holiday concert we ask for donations or non-perishable food items in lieu of an admission fee. To date we have collected 4855 pounds of food which has been donated to our local food banks!

“Knowledge, like air, is vital to life. Like air, no one should be denied it” – Alan Moore

To commemorate our 10th anniversary we committed to building a classroom in rural Kenya through the charity “Village Impact”. The cost was \$16,500 and we were thrilled to meet our goal! We raised the majority of these funds through our Silent Auction Gala which was held on February 9th 2019. Our kindergarten student became very passionate about this project, making all center pieces for tables and programs for the event. The children quickly became “experts” on Kenya, as their teachers explained the differences in our learning opportunities and living conditions. Children truly are our future, if at the age of five their efforts contributed to the building a classroom in Kenya and providing education that these student might otherwise not receive, imagine what they will be capable of and will have their hearts open to when they are adults!

“Within the child lies the fate of the future” - Marie Montessori

Any fundraising efforts are voluntary on your part. Please know that a child bringing in a toonie that they have earned through chores is a wonderful opportunity to teach compassion as well as promotes conversations about helping those in need. Children are capable of tremendous compassion and with a little help and direction can make a big impact in their community.

## **Wait List Policy**

At Innisfil Montessori Academy a wait pool will be started when all childcare spots are filled.

In order to have your child added to our waiting pool, parents must complete an online form providing child's name, date of birth and parents information. There is no fee to have your child placed in our waiting pool.

Children will be offered a position when a spot opens up for their specific age, and schedule request, we try our best to balance room between ages and genders to ensure

an authentic Montessori experience is provided. Current students looking to change their schedule and siblings of children currently enrolled in our program will be given priority status.

When a space becomes available the family will be contacted and will be given 48 hours to accept a child care spot. If the family accepts the offer, we move to the next step. If the family, for any reason, declines the spot then we will offer the spot to the next eligible child.

Once a spot has been offered, we will hold the spot for up to two weeks to allow the family to give notice at another center if necessary. At this time the non-refundable registration fee will be collected.

Parents are welcome to call Mrs. Barnard and/or the assistant supervisor at any time for a verbal update of their child's status on the waiting list. We are not able to share the list as we must ensure the confidentiality of others on the list.

### **Children's Records**

The child's record is confidential and kept at Innisfil Montessori Academy for five-year period. This file includes registration form, consent form, medical form, observation sheet and child's report cards, accident reports and any other pertinent information. The parents may have access to this file at any time. If the child has left the school, the file goes into storage.

### **Immunization:**

Completed immunization forms are mandatory for your child to attend Innisfil Montessori Academy and must be on file before the child attends classes. If a family chooses not to immunize their child, they must complete a statement of Conscience or Religious Belief form available from the health unit.

### **Withdrawal:**

One month's prior written notice is required, without refund for our toddler and Casa students, we require 60 days notice for children attending our kindergarten program. All postdated cheques will be returned to the parent /guardian once all outstanding balances have been paid. If a student is in breach of Innisfil Montessori Academy's Code of Conduct

they will be asked to withdraw from the program and will be refunded for services not rendered.

## **Fee Payments:**

### Monthly Fees:

Tuition fees are due on the 1<sup>st</sup> day of each month. Payment can be made in full on the 1<sup>st</sup> or split into two equal payments payable on the 1<sup>st</sup> and 15<sup>th</sup>. Innisfil Montessori Academy accepts cash, cheques, credit card (fee applies) and email transfer to [innisfilmontessori@rogers.com](mailto:innisfilmontessori@rogers.com), please included your child's name and what the payment is for in the notes.

IMA does offer pre-authorized debit, forms are located at the front office.

If you require different payment dates, then those outlined above please speak to Ms. Barnard

**There will be an NSF service charge of \$20.00 (cash) to the parent on any notice of a returned payment received from the bank.**

### Late Fees:

A charge of \$20.00 will be added to your account if tuition fees are not received to the school on time. You may also receive notice that childcare services may be terminated by the fifteenth day of the current month.

If a parent needs more time to pay or consideration for financial hardship, they must contact Mrs. Barnard as soon as possible, preferably before fees are due, to arrange a scheduled payment plan and make an immediate payment towards their outstanding account within two (2) business days. Failure to set up a payment plan or meet the conditions of your payment plan may result in termination of services.

### Additional Fees:

You are required to pick up your child(ren) by 5:30 p.m. After 5:30 p.m. The fee for the time late is \$1.00 per minute/per child payable in cash to the staff who has stayed with your child. The clock in the classroom is the time used to determine the late payment. Late fees not paid within 48 hours are added to your statement with an additional \$5 service charge. If late six times in any seven-week period, the family faces removal from the center.

Field trips: are never mandatory. If you choose for your child to participate in a field trip payment and permission form MUST be received by 4pm the day before, to ensure a spot for your child.

Reprinting of report cards and tax receipts \$10

Letters required for court: \$25 each

### **Temporary Absences and Vacations:**

Monthly fees are the same amount each month regardless of the number of school days, or holidays, that fall during that month. Parents are expected to pay fees for all the days their children are registered for. Please note that an absence from IMA will not reduce your fees e.g. sick days, vacations or school closure.

### **Receipts:**

Childcare receipts will be issued to Parents/guardians in February. The receipts are issued in the name of the individual paying the funds to the school. There is a \$10 charge if we need to reprint.

### **Incidental Fees:**

Throughout the school year the students will be invited to join various athletic classes, trips and art classes. These activities are not mandatory; however, parents wishing to have their children participate are responsible for any fee associated with their Childs participation.

### **Enrollment of siblings:**

Innisfil Montessori Academy offers a 5% discount for siblings. The 5% is taken off the lower tuition fee. Please let administration know if you are planning to have another child take part in our programs, as Innisfil Montessori Academy gives preference to children in the same family.

### **Reporting to Parents:**

Innisfil Montessori Academy firmly believes that parents, teachers and students are partners in education. It is with this philosophy that we have an open-door policy between parents and teachers. Please share any information about your child (sickness, late night, changes at home, illness or concern for family members) that may affect the Childs progress or

demeanor throughout the day. If you wish to speak with your Child's teacher, please call the school to set up an appointment. Teachers will provide each child with a mail slot, please check for mail at the end of each day for any communication from the teacher, or administration.

#### **Daily Operations:**

The school year begins the first Tuesday after Labour Day in September. Class runs from 9am to 3:30pm daily. The school opens at 7:00am and closes at 5:30pm.

Please provide seasonal clothing for your child as they will be going outside daily.

Innisfil Montessori Academy recognizes the following statutory holidays and will be closed for operations; Thanksgiving, Family Day, Good Friday, Easter Monday and Victoria Day. We will also be closed for two weeks at Christmas and a week for March Break. Both breaks coincide with the Simcoe County Public School.

Your child will be sent home with a monthly calendar outlining all special dates and events happening at the school, please keep yourself well informed.

**Attendance:**

Regular daily attendance is encouraged as this allows for maximum benefit from the program. Class begins promptly at 9am and so do our lessons, having your child at and prepared for school for this time will allow for a great start for all children. If your child is ill, please contact the school before 9am.

If you are arriving after 9am you are asked to bring your child to their classroom door for a quick drop off. Please note, tuition fees do include the hours from 8:00am – 4:45 pm, if you have children attending public school, please consider dropping off your younger child to IMA first.

If you are picking your child up early (prior to 3:30pm) please let your child's classroom teacher know. The classroom teachers will have your child ready with their belongings.

**Cancellation of Classes:**

Innisfil Montessori Academy will attempt to be open even during inclement weather. If the school will be closed notice will be placed on our FaceBook and Instagram page as well as ROCK 95.

**Safe Arrival:****Purpose**

This policy and the procedures within help support the safe arrival and dismissal of children receiving care.

This policy will provide staff, students and volunteers with a clear understanding of their roles and responsibilities for ensuring the safe arrival and dismissal of children receiving care, including what steps are to be taken when a child does not arrive at the child care centre as expected, as well as steps to follow to ensure the safe dismissal of children.

This policy is intended to fulfill the obligations set out under Ontario Regulation 137/15 for policies and procedures regarding the safe arrival and dismissal of children in care.

Note: definitions for terms used throughout this policy are provided in a Glossary at the end of the document.

## **Policy**

### **General**

Innisfil Montessori Academy will ensure that any child receiving child care at the child care centre is only released to the child's parent/guardian or an individual that the parent/guardian has provided written authorization (via email, Remind App, text) the child care centre may release the child to.

- Innisfil Montessori Academy will only dismiss children into the care of their parent/guardian or another authorized individual. The centre will not release any children from care without supervision.
- Where a child does not arrive in care as expected or is not picked up as expected, staff must follow the safe arrival and dismissal procedures set out below.

### **Procedures**

#### **Accepting a child into care**

1. When accepting a child into care at the time of drop-off, program staff in the room must:
  - greet the parent/guardian and child.
  - ask the parent/guardian how the child's evening/morning has been
  - if the parent/guardian has indicated that someone other than the child's parent/guardians will be picking up, the staff must request that where the individual is not listed (Emergency Contacts), ask the parent/guardian to provide authorization for pick-up in writing (via email, Remind App, text).
  - document the change in pick-up procedure in the daily written record.
  - sign the child in on the classroom attendance record.

#### **Where a child has not arrived in care as expected**

Parents/ guardians are responsible for informing the staff of IMA, in writing that their child will be away before 9:30am daily. Scheduled time off, such as vacation and appointments can be given in writing prior to the date. This will be kept on record and Safe Arrival calls will not be made during those days.

If Parents/ guardians do not confirm attendance prior to 9:30am, 3 times per quarter (January- March) (April-June) (July- September) (October-December) the child may face termination from Innisfil Montessori Academy

1. Where a child does not arrive at Innisfil Montessori Academy and the parent/guardian has not communicated a change in drop-off (e.g., Remind Message, email, advised the closing staff at pick-up, or made staff aware of absence prior), the staff in the classroom must:
  - Inform the Head of School or Supervisor. Staff must commence contacting the child's parent/guardian no later than 9:45am (unless a child has a predetermined daily schedule that is later than 9:45am) . Staff shall contact the parent/guardian via Remind Message and Phone call (leaving a voicemail if possible). If there are two parent/guardians both must be tried.
  - Once the child's absence has been confirmed, program staff shall document the child's absence on the attendance record and any additional information about the child's absence in the daily written record.
2. Staff will be responsible for recording on log sheet the date and the name of parent/guardian they are contacting and the times they are calling.

### **Releasing a child from care**

1. The staff who is supervising the child at the time of pick-up shall only release the child to the child's parent/guardian or individual that the parent/guardian has provided written authorization(via email, Remind App, text) that the child care may release the child to. Where the staff does not know the individual picking up the child (i.e., parent/guardian or authorized individual),
  - confirm with another staff member that the individual picking up is the child's parent/guardian/authorized individual.
  - where the above is not possible, ask the parent/guardian/authorized individual for photo identification and confirm the individual's information against the parent/guardian/authorized individual's name on the child's file or written authorization.

**Where a child has not been picked up and the centre is closed.**

1. Where a parent/guardian or authorized individual who was supposed to pick up a child from care and has not arrived by 5:30pm, staff shall ensure that the child is given a snack and activity, while they await their pick-up.
2. Staff shall stay with the child, while a second staff proceeds with calling the parent/guardian to advise that the child is still in care and inquire their pick-up time. In the case where the person picking up the child is an authorized individual, the staff shall contact the parent/guardian first and then proceed to contact the authorized individual responsible for pick-up if unable to reach the parent/guardian.
3. If the staff is unable to reach the parent/guardian or authorized individual who was responsible for picking up the child after 15 minutes, the staff shall call emergency contacts listed in child's file.
4. Where the staff is unable to reach the parent/guardian or any other authorized individual listed on the child's file (e.g., the emergency contacts) by 6:30pm, the staff shall proceed with contacting the local Children's Aid Society (CAS) **1-800-461-4236**. Staff shall follow the CAS's direction with respect to next steps.

### **Dismissing a child from care without supervision procedures**

Staff will only release children from care to the parent/guardian or other authorized adult or Children's Aid Society. Children's Aid worker must present identification, including a badge number. Staff will make record of workers name and badge number. Under no circumstances will children be released from care to walk home alone.

### **Glossary**

*Individual authorized to pick-up/authorized individual:* a person that the parent/guardian has advised the child care program staff in writing can pick-up their child from care.

*Licensee:* The individual or corporation named on the licence issued by the Ministry of Education responsible for the operation and management of the child care centre and home child agency.

*Parent/guardian: A person having lawful custody of a child or a person who has demonstrated a settled intention to treat a child as a child of his or her family.*

*Written Authorization: Pick up authorization accepted in the form of Email, message on the Remind App or Text Message.*

### **Extended Care Program:**

Before care is available from 7:00am to 9:00am

After Care is available from 3:30pm to 5:30pm

Administration MUST be notified if emergency situations arise that result in pick-up after 5:30pm. An additional charge of \$1 per minute for services rendered will be invoiced and is payable directly to the aftercare staff providing coverage.

### **Transportation:**

Safe transportation to and from school is the responsibility of the parent/guardians. Children will only be released to authorized individuals, as indicated on the application form. Please ensure this list is update as necessary.

A Take-Home authorization form is available to give written permission on a per use basis for someone to pick up your child on occasion. This form must be given to the administrator.

**Children will be not be released to unauthorized persons.**

**Innisfil Montessori Academy will not be held responsible for liability when the child is taken off school property.**

School buses will be used for field trips that are not within walking distance.

If emergencies arise during the day, the parent or guardian must contact Innisfil Montessori Academy administration with alternative transportation details.

## **Health and Safety:**

### **INNISFIL MONTESSORI ACADEMY IS NUT FREE!**

**Life-threatening peanut or nut allergies are a very real concern. Please DO NOT send foods to school that contain or “may contain” peanuts, nuts and bi-products of nuts. We also ask that children refrain from eating these products prior to arriving at school.**

## **Food and drinks:**

To minimize the risk of an allergic reaction we try to minimize the amount of outside food into the school. All children under 3.8 years are required to partake in our hot lunch program. Students will receive a morning and afternoon snack served with water and lunch which is served with milk. If your child has any allergies or dietary restrictions, please be sure to complete the appropriate forms on our website. Our weekly menu will be posted in the classroom.

## **Bagged Lunch Policy:**

Parents of children over 3.8 years of age may choose to bring a lunch from home. Innisfil Montessori Academy promotes the healthy development of all children, recognizing the importance of a balanced diet. Keeping with this expectation when bagged lunches are necessary the expectation is:

### **Parent and Guardian’s Responsibilities**

- The bagged lunch adheres to Canada’s Food Guide. Bagged lunches should include plenty of vegetables and fruits, whole grains and protein to meet Canada’s Food Guide requirements. A healthy lunch limits processed foods and foods that are high in sodium, sugars and saturated fats.
- Lunch is provided in a labelled lunch bag
- If food is to be consumed cold it is to be packed with an ice pack
- Hot foods should be kept warm in a thermal container
- Foods that may have come in contact with nuts are not allowed in the child’s lunch
- Children are not to share lunches due to food sensitivities and allergies
- **Staff Responsibilities:**

The staff at Innisfil Montessori Academy takes it upon themselves to ensure that:

- The school is clean and safe
- All equipment is safe and in good repair
- Fire drills will be performed monthly and recorded in the fire drill book.
- Employees have healthy working conditions, including good natural light, heating, adequate clean toilet facilities, and staffroom/restroom.
- All staff must have up to date First Aid and CPR training

All employees will be responsible for ensuring the following:

- Keeping all fire always exits clear
- Keeping electrical equipment well out of reach of the children always
- All medications are kept out of the reach of children
- All cleaning materials and equipment are locked away in their designated places
- All equipment is safe and in good condition. If not, it must be reported to the director immediately.
- Floors are mopped after all spillages and accidents

### **Illness and Accident:**

School and health authorities require that all children's illnesses be reported to the school on the day of absence. **Children with a fever or other symptoms of sickness should be kept home.** Should your child contract a communicable disease, you must advise the Administration immediately; some diseases must be reported to the Health Unit. The school shall not be responsible for illnesses that occur with children enrolled in the program that are not vaccinated.

Children who become ill at school will be removed from the classroom to avoid spreading the illness. The parent or emergency contact individual will be notified to come and pick up the child. If the child cannot be picked up immediately the child will be resting in the Administrators office until pickup.

In the case of a minor accident at school, parents will be notified at the end of the day. The incident will be documented, and parents will be asked to sign a form of acknowledgment. In the case of an emergency where the child requires medical attention or needs to go

home the parent(s) will be called immediately. If the parent cannot be reached, the emergency number provided will be contacted.

In the case of a serious emergency, the child will be sent to Royal Victoria Hospital via ambulance. Parents will be notified immediately. The photocopied health care and health form will be taken to the hospital with the child.

The parents must notify the school with respect to any medical, physical and/or emotional challenges that the child may be facing. If the school agrees to accept the registration it will be the parent's responsibility to hire and reimburse an educational assistant if required.

### **Medications:**

Students will be given doctor prescribed medication provided that the parents sign the medication book located in the office. All medication must be provided in the original container, and labeled with the child's name, the dosage, the date of the prescription, the expiry date, and dosage instructions. The instructions must also be communicated verbally to the Directress, Supervisor or Administrator.

### **Fire Drills:**

Fire drills take place monthly at various times. The staff make sure the students are very familiar with specific routines and exits, therefore daily footwear is mandatory.

### **Discipline:**

Innisfil Montessori Academy is dedicated to the sensitive needs and emotions of all its students. Your child will be guided to understand why his/her actions were incorrect for the situation and will have an opportunity to apologize and/or role play how the situation could be handled in a more positive manner. Corporal punishment, deliberate, harsh or degrading measures, or deprivation of a child's basic needs will not be permitted. All staff will comply with the policies and procedures of Innisfil Montessori Academy. The teacher's role is to encourage positive behaviors rather than the negative. The following are the schools Code of Conduct;

- Students will not use poor language when speaking with others
- Students are expected to listen when spoken to
- Students will not misuse school equipment, toys or materials
- Students will not assault another student, teacher or adult

If a child is in conflict, with any of the four school rules outlined above the school staff will take the following steps;

1. Teacher will discuss the inappropriate behavior/action and re-direct the student
2. If the challenge continues the child will be put on a time out
3. If warranted an incident form is completed
4. If the child continues to create a challenge for staff or peers, the child will be escorted to the office and parents may be contacted immediately.
5.
  - a. The child may be excused from classes for the day
  - b. The child may be put in detention for a specific amount of time

Innisfil Montessori Academy strives to create a peaceful environment for all students and employees. There all students must agree to conduct themselves appropriately. Please take a moment to discuss the code of conduct with your child.

### **School Photographs:**

Arrangements will be made in the fall to have individual and class photos taken. Packages will be available for purchase, with no obligation to buy.

### **Signed School Policies and Procedures for Parents and Students**

Each parent will be familiar with the school's policy and procedures as outlined in this booklet. Once having read through the booklet both parents are asked to sign the last sheet in the policy and procedures booklet and return this to the school.

### **Birthday Celebrations:**

Birthday celebrations are an important part of the Montessori curriculum. It is a chance to honor the child while incorporating a lesson in science and history. A candle, representing the sun, is lit in the middle of the room. Labels with each month of the year are laid out in

a circle radiating out from the “sun.” The children and teachers sit in a wide circle around the sun and months of the year, while the birthday child stands next to the month of his or her birth holding a globe to represent the Earth. The child then walks around the sun one time for each year of his or her life. As the child walks, the teacher talks about what the child was doing when he or she was that age. Parents may write a sentence or two or send in pictures of the child for each year of their life. At the end the child may extinguish the candle and the class sings “Happy Birthday”. We ask that only pictures and or a few short sentences about the milestones met at each age be brought in to celebrate birthdays. **We will no longer be accepting birthday treats or decorations.** This allows for consistency amongst all children and allows the beauty of the birthday walk to be the highlight. If your child’s birthday falls over Christmas holiday, March break or in July and August, please speak to your child’s classroom teacher to arrange a time to celebrate!

## **Children’s Bin**

We recommend the following labelled items be left at the school; a complete change of clothes, bottle of water, indoor shoes, bug spray, sunscreen, extra hats and mitts (when applicable).

### **Change of clothes:**

Innisfil Montessori Academy requests that each child always have a complete change of clothes available (more if your child is potty training or is prone to accidents!) The clothing should include: pants/shorts, top, sweatshirt/sweater, underwear x2, socks x2. Indoor shoes and outdoor shoes/boots must be provided daily.

### **School Trips:**

Trips will be identified monthly clearly marked on the monthly calendar, permission forms will be sent out

### **School Shirts:**

In order to create uniformity on our school outings and create school spirit we are requiring all students to purchase one school shirt. One school t-shirt is included in your first \$75

registration fee. The cost of an additional t-shirt is \$15, long sleeve and hoodies are also available for purchase.

On days the children will be offsite we will require all students to wear their IMA shirts. This allows staff and volunteers to visually recognize all students quickly and helps identify a student if they are separated from the group. There will also be times throughout the year, when we have visitors, or we will be having "Spirit Days" that children will be requested to wear their school shirts.

### **Toys:**

Children are encouraged to keep all toys and personal valuables at home. The school is not responsible for any loss or damage to toys brought to school. Directresses may organize a show and share rotation where parents will be notified of a date when your child may bring in a special toy, item or picture to share with the class. This activity helps to encourage public speaking and improve confidence.

### **Summer Camp:**

Innisfil Montessori Academy will be operating summer camps each summer on a week to week basis. More information will follow in March. Current families enrolled in our program MUST return camp forms back by the due date to Guarantee their spot. After the due date enrollment opens to the public.

## Bagged Lunch Policy

Innisfil Montessori Academy promotes the healthy development of all children, recognizing the importance of a balanced diet. Keeping with this expectation when bagged lunches are necessary the expectation is:

### Parent and Guardian's Responsibilities

- The bagged lunch adheres to Canada's Food Guide. Bagged lunches should include plenty of vegetables and fruits, whole grains and protein to meet Canada's Food Guide requirements. A healthy lunch limits processed foods and foods that are high in sodium, sugars and saturated fats.
- Lunch is provided in a labelled lunch bag
- If food is to be consumed cold it is to be packed with an ice pack
- Hot foods should be kept warm in a thermal container
- Foods that may have come in contact with nuts are not allowed in the child's lunch
- Children are not to share lunches due to food sensitivities and allergies

I agree to provide a nutritious lunch, based upon Canada's Food Guide and as required by the Child Care and Early Years Act 2014.
